Transfer of Courses

Purpose

From time to time, learners may decide that the training program is no longer suitable to their vocational goals. This policy aims to provide a clear and systematic process for our learners to transfer programs.

Scope

This policy applies to:

- All staff, learners, and clients; and
- All of our training and assessment services, and related business functions.

Responsibilities CEO

- Ensures compliance with legislation, regulations and Standards for RTOs.
- Process learner transfer requests.
- Authorises refunds as per our Fees and Refunds policy.

Administrative & Support Staff

- Manages and coordinate requests for course transfers with the CEO and the learner.
- Communicates the process, outcomes and provide relevant documentation to learners.
- Maintains accurate records in the student's file.

Trainers & Assessors

- Provides support to learners experiencing challenges that may lead to deferral, extension, suspension, withdrawal or cancellation of their enrolment, and upon their return.
- Alerts CEO to any significant learner concerns.

General Principles

Oscar institute will be guided by the following to facilitate the learner's transfer request:

- Ensure that all processes related to the course transfer are carried out in a fair, impartial and transparent manner.

- Clearly communicate the process, including all of the requirements and timelines – including that their Course Transfer Form is to be lodged at least 10 business days prior to commencement date of the new training program, information about the transfer process, the new training program, whether any credits can be obtained, and the applicable fees.
- Prioritise the well-being and educational needs of the learners by considering their individual circumstances, and counselling and supporting the learner to help them make the best decision for themselves.
- Ensure that if a learner is under the age of 18, their parent or legal guardian has provided support for the transfer by signing the Course Transfer Form.
- Assess all requests without prejudice, taking into account the circumstances of the learner and if the transfer will be in the best interest of the learner.
- Where a learner has outstanding unpaid fees, they will be requested to fulfil the payment of their outstanding account prior to the transfer, or it may be denied.
- Where the transfer requests are successful, the learner will be issued with a Statement of Attainment for the units they have already completed in the previous training program.

Compliance

This policy aligns with:

- Standards for RTOs 2025:
 - o Standard 2.1 – VET students have access to clear and accurate information, including to make informed decisions about the training product and the RTO, and are made aware of changes that affect them.

 - o Standard 4.2 – Roles and responsibilities are clearly defined and understood.
 - o Standard 4.3 – Risks to VET students, staff and the RTO are identified and managed.
 - o Standard 4.4 – The RTO undertakes systematic monitoring and evaluation to support the delivery of quality services and continuous improvement.

- For Learners and Clients – disruptions in training and assessment services, experience financial losses and/or frustration from the poor handling of the requests.

Continuous Improvement

- An internal audit is to be conducted at least once per year to assess our compliance with this policy and the relevant legislative and regulatory requirements. The audit schedule is outlined in our Continuous Improvement Schedule and areas for improvements are documented in our Continuous Improvement Register.
- Feedback from staff, learners, clients and industry stakeholders will be used to inform improvements to compliance processes and the effectiveness of our operations.
